■ This is the story of Hiwassee '55, a year which we have lived and loved. This was the year we left dear old Hiwassee and as we go we leave this record of our events. This has been a year of growth for us, mentally, spiritually, and physically. New buildings arose during our stay and we heard of more to come.

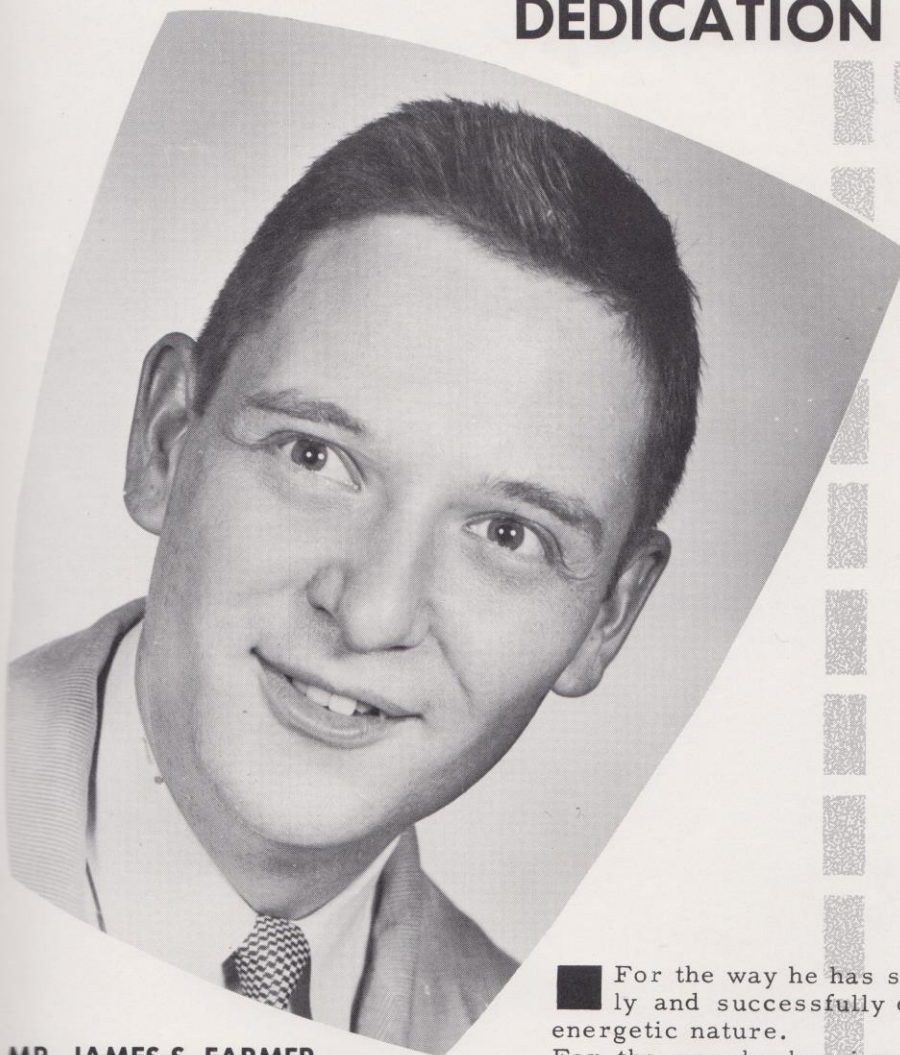

This has been a year of gaining many new friends, both among the faculty and the student body. We remember them with great admiration.

This has been a year of studies. Many times we burned the midnight oil, only to go to class the next morning sleepy-eyed.

This has been our year-HIWASSEE '55- and we are happy to present it to you.

## DEDICATION

**MR. JAMES S. FARMER**

"Forever let there be music -  
Never the memory of parting."  
-Adagio (J.S.F.)

■ For the way he has so tirelessly and successfully devoted his energetic nature.

For the way he has inspired us to greater intellectual achievements. For his kind expression of friendliness to every student and faculty member at Hiwassee.

We, the Sophomore Class of Hiwassee College, with a keen sense of gratitude and deep appreciation, dedicate HIWASSEE '55 to Mr. James S. Farmer.

A black and white photograph of a rural landscape. In the foreground, there is a field of tall, dry grass. In the middle ground, a large, multi-story building complex, possibly a school or institutional building, is situated on a slight rise. To the left of the main building, there are several smaller structures and a few trees. The background shows a line of trees and a clear sky. The top of the image is framed by dark, silhouetted branches of a tree.

## Hiwassee Enrolls 281

### Enrollment Leads Past Years

Two hundred and eighty-two students have enrolled for the fall  
quarter at Hiwassee College. These students represent seven states  
and four foreign countries.

Tennessee is represented by 171 students; Virginia by 90; Ken-  
tucky, by six; Georgia, by three; Iowa by one; Wisconsin by one;

New Jersey, by one; Florida, by  
one. Four students come from  
Cuba, and one student from each  
of the following countries, India,  
Japan, and Peru.

Hiwassee was puzzled by the  
dormitory problems at the first of  
the year, as this enrollment has  
topped records of recent years.  
The College appreciates each stu-  
dent's presence and extends to  
each one wishes for success here.

## Building Program

### NEW DINING HALL

An outstanding attraction on the  
campus is the new dining hall. It  
was completed July 29. The build-  
ing is modern in its lines and is in  
keeping with the appearance of  
Brock Hall. In every respect the  
kitchen equipment is up-to-date.  
Music is provided by a hi-fi sys-  
tem for the students to enjoy.

Three times a day everyone  
looks forward to going to the din-  
ing hall. It is always en-  
joyable and good.

## HIWASSEE

COACHES IN ACTION.

The Hiwassee "Tigers" enjoyed their most successful season since 1951 with a record of three wins, four losses and one tie. The Tigers started with only seven veterans returning. Kenneth Chambers, a triple threat tailback from Rockford, Tenn., was elected captain of the team; Gene Shambaugh and Andrew Spurling were alternate co-captains. The team, under the leadership of head-coach Howard Davis and backfield coach C. N. McDowell, was impressive as they showed high spirit and determination throughout the year.

On Sept. Maryville College defeated Hiwassee by the score of 26-6. Sixteen lettermen proved too much for the Tigers as the Maryville Scotties rolled along, scoring in every quarter. O. L. Davis scored Hiwassee's only touchdown.

The Hiwassee eleven got their first taste of victory as they romped the Mars Hill Lions 13-6 on Sept. 25. Kenneth Chambers and Emerson Poe scored Hiwassee's touchdowns.

COACH MCDOWELL-COACH DAVIS

## TIGERS

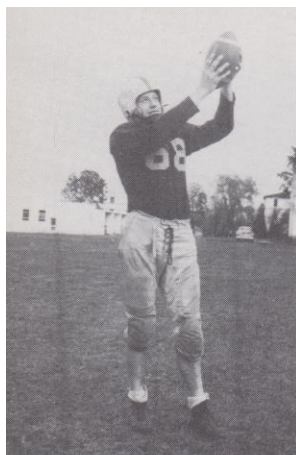

Homecoming! And what a show as the Tigers defeated their old rivalry, Tennessee Wesleyan, by the score of 13-6. Hiwassee scored the first time they gained possession of the ball, with wingback Poe running a reverse through the center. Late in the fourth quarter, L. Davis went over for the winning T. D.

The tables were turned when Mars Hill upset the Tigers 34-7 in a return visit. On Oct. 10 the Hiwassee team traveled to the South to meet Georgia Military College. The Tigers were defeated 20-13. On October 23, the Tigers won their third game by defeating West Georgia 21-7.

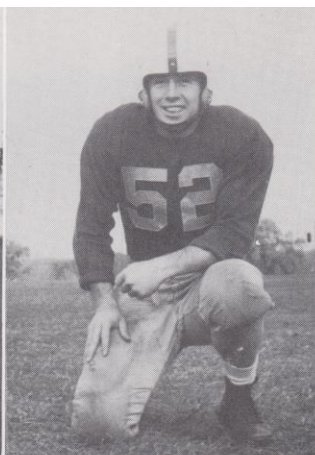

Hiwassee's return visit to Tennessee Wesleyan was almost a reverse of the Homecoming game. The Bulldogs rolled over the Tigers 34-7. The Tigers ended the season with a 20-0 tie, on Nov. 6, when they met Lees-McRae College of North Carolina, at Newport, Tennessee.
